- Subject : Thank-you letter

Dear Representative:

Please find enclosed letter to express my sincere appreciation for your effort to boycott history books which distort the past tragic history of the East Asia and to promote mutual understanding between Japan and Korea.

Your initiatives have really impressed me and our people. I think people in both countries should make cooperation for the bright and peaceful future of this region. I am sure that more solid international cooperation will achieve this goal sooner.

Best regards

Roh, Moo-Hyun

Standing Advisor, The ruling Millennium Democratic Party
